Lightest Trailer in the Industry.

From 3A transports to food grade units with pump packages, Heil Food Grade Sanitary stainless trailers offer lightweight transport and multiple-axle configurations for increased payloads. These trailers are mission-proven for a wide range of applications and offer options for increased R-values to keep food colder longer. Available in multiple vessel capacities and axle configurations, our Food Grade/3A Transport offers numerous advantages, starting with our integrated stainless vessel-to-suspension structure that resists corrosion and requires no maintenance.
