DAY-IN, DAY-OUT DURABLE.

Consistency, efficiency, productivity—it's all in a day's (and sometimes night's) work. It's also the reason why decades of loyal customers don't settle for less than the Heil Trailer Super Jet. Blending the utmost in region- and load-specific engineering and lessons in durability proven long before air-ride suspensions, the contrast between a Heil Trailer 1040 and ordinary trailers is day-and-night. With its exceptional versatility, these trailers can haul anything from cement and sand to food grade materials, making them the ultimate solution for a wide range of transport needs.
